NEW HONORARY MEMBER

Proposed by Tony Fryer and following approval by the Board today President Graeme inducted Digby Wilkinson as an honorary member. Digby is the Dean of Wellington and known to most members through his presence at last year's Christmas party and the recent function celebrating our 50th anniversary.

OTHER MEETING STUFF

Today there was one raffle that had two prizes. It is Christmas after all. So two tickets were drawn. Diana Nunns had one and claimed a prize. After a certain amount of mucking around as is our way and a redraw Peter Spearman claimed the other.

There is no need to be happy to make a donation but members were happy and the Salvation Army Quartet had contributed to that and the proceeds from today's  \$ were \$360 which were donated to the Salvation Army.

TODAY'S SPEAKER

Tony Fryer introduced Digby Wilkinson at greater length telling us a little about what the Dean and the cathedral do not just for their worshippers but also for the city and the nation. There are three services every Sunday and Digby has a staff of ten. His wife Jane also has pastoral experience and they have two children.

Digby said that he had been asked how a person who was always preaching could give a speech and he said that he would probably slip into sermon mode. He got off to a good start with a funny joke and then gave what may have been a practice airing of his Christmas sermon. He did this well and whatever listeners may have thought of the details the central message of the transformative power of love was clear.

Maurice Manttan proposed a vote of thanks.

Lionel Nunns reminded us that those taking part in the Round the Bay event needed to register and order their Rotary Tee or Polo.

Order your Tee or Polo using the form with last week's Bulletin before midnight on Sunday. Easy peesy.

To register go to http://wellingtonroundthebays.co.nz/?page_id=133 and follow the instructions. When it asks about teams click *Join a Team* and then enter **Rotary**.

Remember the short 6.5 km is what most of us will do and most will walk rather than run. Easy peesy.

PARTING THOUGHT

My idea of Christmas whether old fashioned or modern is very simple: loving others

Come to think of it why do we have to wait until Christmas to do that?
