TODAY

Our new President David commented on the differing leadership styles of a shepherd (leading the flock) and a butcher (driving the flock). We sheep were pleased to hear that David favours the shepherd's approach.

Following on from last weeks address by Simon Draper, Laury Sinclair's Reflection dwelt on what it means to be a Kiwi.

In his role as Almoner, Lionel Nunns reported on his attendance at an unveiling at Karori Cemetery for Alan McMaster. Alan's memorial highlights his connection to Rotary as well as his passion for Alfa Romeo's.

Lionel also reported that Russell Hurst and Tom Riddell are doing well.

Rick Lowe answered the Rotary Question but Quizmaster Denys refused to hand over the chocolate fish by issuing a supplementary (unanswered) question.

\$ There was happiness at: Christ's College sports performance, recovery from illness, return from cruising, birthday, 50th wedding anniversary and visiting parliament.

President David's debut

President David reminded us that
THERE IS NO LUNCH MEETING NEXT WEEK.

Instead, to support our Te Araroa project, we have **booked out** the **FRIDAY NIGHT** session of the KAT play **A SKULL IN CONNEMARA** at Cashmere Avenue School. **WE STILL NEED MORE ATTENDEES SO ENLIST THE SUPPORT OF YOUR NEIGHBOURS AND FRIENDS** and let David King know you are coming. \$25 for the play, refreshments and some prizes. You can pay by internet banking to 03 0518 0023645 00. Under "Particulars" put your name and under "Code" put KATs to identify your payment. Or, you can pay at the door, but either way **don't miss out on this event.**

David also reminded us of the District Governor's visit on 14 August and the Rotary KauKau meeting on 13 August.

YOUTH ACTIVITIES

Bob Laybourn gave a run down on Youth Activities which included:

- RYLA – a five day event for 18-24 year olds
- Rotary National Science & Technology Forum – a 2 week residential event in Auckland for senior school students
- Peer Support – a programme for training mentors in secondary schools

Our club has budgeted for two attendees at RYLA, two at the Forum and Peer Support at St Mary's College.

PLANNING FOR THE YEAR AHEAD

President David came back to the podium and ran through details of the Board for 2016/17. It is largely unchanged for last year but there is a need for a new member of the Scholarship Trust. Contact David if you are a candidate for this position. Don't forget that while we have a Speakers Panel, all club members should be on the lookout for potential guest speakers.

David then posed a series of questions related to the running of the club - speakers, fundraising, projects, meetings - and threw it over to each table to document comments and suggestions on these topics. The output from this exercise will provide useful input to planning for the future.
