## THURSDAY

The club met in a session to update members on implementation of the revitalisation programme. President Michael Gorman and Brian Poole briefed members on the future structure of club meetings, noting the new layout at the Bridge Club, and the change to two meetings each month at that club from mid August. The trial programme will continue to the end of November when the club services committee will report on member feedback and on alternative venues and opportunities for economies.

Graeme Waters spoke to community issues including the scholarship programme, peer support in secondary schools, and the upcoming tree planting project at Mt Victoria on the 11th of August.

Maurice Manttan reiterated the need for members to access the website at [www.wellingtonnorth.org.nz](http://www.wellingtonnorth.org.nz) for information on club programme and activities going forward. Friday fellowship on 27 July would be from 5.30pm at the Khandallah Bowling Club (KBC). Also a joint evening social would be held with KBC later in August.

Maurice Scott briefed members on the current, and projected financial situation. His key conclusion was that without an increase in membership the club could not continue in its present form. Hence change is necessary.

President Michael, in wrapping up the session asked members to consider the RCWN charitable trust when planning bequests.

## ENTERTAINMENT BOOK

This is one of the simplest projects ever. Anyone who eats out with a companion three or more times a year will probably pay for their book. If you eat out more often or with more companions you will save more. Cost is \$65. Our club gets \$13 of each book we buy. Go to [www.entbook.co.nz/10479xo](http://www.entbook.co.nz/10479xo) to buy yours and get your friends and relations to go there too.

Margaret Emerre will deliver your book(s) to you.  
for her car.

## THE PARTING THOUGHT

The ideal number for a committee is three, one of whom is absent, and another on leave.
