FRIDAY FELLOWSHIP

FREEHOUSE & KITCHEN

Friday 26 October
Marsden Village Karori Road

LUNCH PAYMENTS
Automatic lunch payments
should now all be \$50 per
month. If you are still paying
\$90 change it now.

TODAY

Morris Robertson welcomed us today. He advised that President Michael Gorman says he is feeling well and is undergoing further treatment. We all wish him well.

Morris said it was thirty years sine he has presided at one of our meetings. He welcomed Jeremy Spanjaard's wife Vivienne.

Maurice Scott reminded us that we should change our automatic lunch payments to \$50 each month if we are still paying \$90. He also said that he was happy because today is his birthday.

Paul Tipping is happy that he now has two grandchildren

TODAY'S SPEAKER

Trish Murphy

The Travel Industry

Paul Tipping introduced Trish Murphy an international travel consultant. She has worked for Orbit Corporate travel for the last 15 years and is currently Orbit's holidays manager.. This is part of the

House of Travel group.

Trish told us that Orbit provided services to corporates that needed good service for staff who travelled a lot and needed to be able to change arrangements quickly no matter where they were. They can do this through using new technology and by forming relationships with service providers and other agents around the world. This service is also popular with private

travellers who want more than run of the mill trips.

She told us that in spite of the services available from your phone or laptop travel agents are still needed for clients and can offer time saving, money saving, security and support.

There was keen interest in aspects of the business demonstrated in the question and answer session which followed.

Pat Helm proposed a vote of thanks.
